General No. 2214/229 Enclosure.

SUBJECT.

Requesting that under the circumstances represented the new system of classification of passed candidates may be adopted from next year.

I have the honor to state that on the list of passed candidates published in 1893, those who have obtained 1/3 of the marks on each subject & 1/2 on the whole are placed in the first class while those who obtained 1/4 on each subject & 1/3 on the whole are placed in the second class. Of the candidates who have been classified according to the Rules in Govt No 9826-34 of 21st Dec, some who have been placed in the 2nd class seem to be placed in the 1st class. As the results for 1893, have been already published in the Gazette & Police Circular, I have the honor to request that the Heads of Offices may be informed from 1894 - Submitted

Ordered to the Chief Secretary for orders.

H 9/6/94

Under the circumstances explained in Paras 2 & 3 of Govt No 9826-34 J-7 dated 21 Dec 93 is cancelled. The list published by the Inspr Genl of Police on the results of the Exams of 1893 as requested - The lists should have been published while Govt remarks were fresh in memory - Indeed Govt remarks seem to have been asked for on the 20th July after their publication on the 15th idem and no mention was made of the above proposal in the letter - Had Govt remarks been anticipated! This should receive

Enclosure.

From

The Inspector General of Police
in Mysore,

To

The Chief Secretary to the Government of Mysore.

SIR,

(36) With reference to the Government Proceedings No. 9826-34/J.F.53.92 dated 21st instant, I have the honor, in reply, to submit that the classification of passed candidates into 1st class and 2nd class in accordance with my recommendation made in letter No: 144/30 dated 20th July 1893, was adopted so far back as July 1893 and published both in the Mysore Gazette and Police Fort-Nightly Circular Nos: 30 and 14 dated 27th and 15th July 93 respectively.

Then why to alter the date of declaring for January in 20th July?

The Classification now ordered by Government will necessitate some men now put down in the 2nd class being shown as passed in the 1st class.

I would request that Government may be pleased to confirm the arrangement already made and published by me now nearly five months ago, and to rule that the new system may be adopted from next year.

I have the honor to be,
Sir.
your most obedient servant
